EDO NATIONAL ASSOCIATION

Established in 1992, Edo National Association in USA and Canada (**ENA**) comprises of Edo related organizations and clubs in the Americas.

ENA is a non-profit organization dedicated to promoting and supporting the unity, patriotism, self-reliance and solidarity among all people of Edo origin in the Americas.

To meet this commitment, a convention is organized annually by its member organizations and clubs. The Convention strives to provide a home away from home for Edo's of all generations and backgrounds in a culturally enriching environment.

ENA membership is diverse and represent the mosaic that makes the Edo's such a unique and wonderful people. This mosaic continues to meet the vision of the members of the association, who in their infinite wisdom saw the need for an organization like this.

We thank them for their wisdom and foresight.
