### 2010 ENA Raffle Ticket Draw

This is to inform all members and the general public that the 2010 ENA Raffle Draw did not take place during the Benin City Convention as planned due to logistics challenges.

We sincerely apologize for any inconveniences this may have caused. The raffle tickets draw will take place during the 2011 Convention in Miami. The 2011 Miami Convention is from September 2nd to September 5th, 2011. We believe doing this during the Convention gives the drawing more transparency because of the number of conventioners that will be present to observe the drawings.

The conditions, prizes and requirements remain the same and have not changed. Please check [www.enaweb.org](http://www.enaweb.org) and your emails right after the Miami Convention for the winning tickets and the video of the drawings.

Thank you for your continued support and understanding.
